New Business:

5A. Boiler Replacement

The board was asked to authorize the PWSB entering a contract with Arden Engineering, in the amount of \$45,770, to replace one Weil McLean boiler at 85 Branch St. During this year's boiler tune up in September large cracks were discovered in several of the cast iron sections of boiler number 1, at 85 Branch St. Arden determined that the boiler was beyond repair, should be permanently shut down due to safety concerns and that boiler number 2 was mechanically sound and able to handle the demands for this year's heating season. Arden was asked to generate a quote for an in-kind replacement of boiler number 1. The quote for the replacement boiler is \$ 45,770.00.

A motion to authorize this contract was made by Mark Theroux and seconded by James Bradford.

Roll Call Taken:

William Masuck - Yes

James Bradford – Yes

Robert Benson - Yes

Roberto Moreno – Yes

Mark Theroux – Yes

APPROVED

Brief comments by Chairperson William Masuck at the end of the meeting including an itemized breakdown of charges on PWSB's monthly water bills, and interactions the Chairperson has had with the public regarding water bills and general questions.

Next scheduled meeting is January 13th, 2026.

A motion to adjourn was made by Robert Benson and seconded by Mark Theroux.

Meeting adjourned at 5:13 pm.
